

Guiding Our Neighbors
Toward Self-Sufficiency

Publicize your Business in Partnership with our Mission to Help Neighbors in Need

Annual Sponsorship Has its Benefits!

We invite you to join our family of Business Partners

Reach out to our community, invest your money where your heart is, and make contact with an audience of engaged community citizens – with annual corporate sponsorship at Our Daily Bread (ODB). Our neighbors in need depend on community partners like you to support emergency short-term assistance programs that help them avoid homelessness and hunger. To discuss how we can work together to help guide our neighbors in need toward self-sufficiency, contact our Development Manager, Diane C. Hill, at develop@ODBFairfax.org or phone 703-273-8829 (cell 703-597-1830). If desired, your investment can be designated to support a particular ODB program, such as financial assistance. Sponsorship packages can also be customized to maximize your company's goals and marketing objectives.
